Services :

The Washoe Tribe of Nevada and California operates a variety of grant-funded programs, through which the Tribe supports the needs of the Washoe community. Programs like Head Start and Native Temporary Assistance to Needy Families (T.A.N.F.) promote healthy and thoughtful development of children and families in the Washoe communities. The Tribe works diligently to provide the necessary skills and education to foster strong growth among the tribal members and their families. Programs such as these help the Tribe achieve that goal.
